

Undergraduate Scholarships

for students majoring in

Mathematics or Statistics

For Fall, 2008

The Department of Mathematical Sciences
at the
University of Memphis

offers the following scholarships for full-time undergraduates majoring in Mathematics or Statistics (including double or second majors). Multiple recipients for each scholarship may be chosen.

The Kaltenborn Scholarship: A one-year scholarship, in an amount ranging from \$2000 to \$3000. Candidates must have:

- completed at least 15 semester-hours within the Mathematical Sciences major while attending the University of Memphis.
- at least a 3.0 cumulative GPA, with at least a 3.5 GPA in major courses.
- demonstrated evidence of mathematical maturity through their coursework.

The R. P. & Dorothy Clark Scholarship: A one-year scholarship of at least \$2000, designated for **Outstanding Juniors** majoring in the Mathematical Sciences. Candidates must have completed at least 18 semester hours within the Major at the time of application.

To apply for either of the scholarships, candidates should send a letter to the address below, which includes the following information:

1. The scholarship(s) being sought.
2. The full name and Student ID number of the applicant.
3. Contact information, including current and permanent mailing address, telephone number, and e-mail address (if available) of the applicant.
4. The names and addresses of two faculty members who will provide supporting letters. The letters should be sent directly to the address below.

All information must be received by **April 11, 2008**, at this address:

Chair, Scholarship Selection Committee
Department of Mathematical Sciences
Dunn Hall 373
The University of Memphis
Memphis, TN 38152

Recipients will be notified by June 1, 2008.
